

Aishwarya Narain

Student

Currently a third-year B.Tech student in Computer Science, I have a strong passion for programming and a proven track record of success in project-based coursework using languages such as Java and C++. In addition, as a member of my school's debate team, I have honed my public speaking and persuasive communication skills. I am highly motivated to apply my skills and experience to contribute to the growth and success of a dynamic organization in the tech industry. My hobbies include Graphic Designing, Reading books, Learning new AI technologies . I have full Professional proficiency in speaking in English and Hindi.
